Creative Tots Preschool Prep Program

Designed for students who turn three by March 31, 2025

If you believe your child is ready for this program but does not meet the cut-off, please speak to your child's teacher.

Why Creative Tots?

As expectations are rising in early childhood education, we at Creative Tots are taking notice of these recent trends. We strive to achieve the best as we align our curriculum to incorporate these ideas for your child.

Our research-based curriculum provides age-appropriate, high-quality academics designed to exceed the standards. The curriculum is rich in opportunities to solve problems, use language, develop new vocabulary, and engage in organized intellectual activities. We recognize and celebrate the diverse developmental stages of toddlers and preschoolers while maintaining the chosen milestones of each age group.

We also believe that along with the importance of academics we must also meet social, emotional, and physical needs of the child as a whole. The first priority of our teachers is to create a nurturing environment for your child where they will feel safe, loved, and respected. It is then that your child can reap the benefits of the learning environment we are devoted to providing you with that will allow them to build lasting friendships, confidence in their abilities, and academic readiness for the future.

Importance of Early Learning

The most fertile time of our lives for absorbing sounds and meanings of words, developing motor skills, establishing social confidence, and determining emotional well-being are the first three years of life. From birth to age three, children have brains that are two and a half times more active than that of adults. They are busy building the foundation for a lifetime of learning. Our goal at Creative Tots is to foster and advance the natural curiosities of children in a safe, nurturing environment.

What is Unique about our <u>Preschool Prep Program</u>?

A tremendous advantage to specific programs such as this is the ability to capture a group of children that may find themselves among program limbo with regards to their birthdays. Because of this unique development window, our Preschool Prep program evolved with emphasis on individual cognitive skill development that will build a strong foundation for future learning. Social development is also a major focus in our Preschool Prep classroom. Experiences within this program give your child many interactions with peers. These daily interactions allow students to learn to share both physically and verbally as well as negotiate with their classmates. Parents teach some of these skills at home but being a part of a group of peers give your child a real-word chance to practice those skills.

Mom's Day Out (MDO)-

Taking advantage of the Mom's Day Out (MDO) means your child is immersed in Creative Tots learning and fun, extending their preschool prep experience, including the morning session and lunch with their friends! The following is the additional fee for MDO, which will be added to your preschool program tuition (this is the fee to be added to each of the 9 payments + deposit). The fee (added to each of the 9 payments, including the deposit paid at the time of registration) for adding a second session one day (MDO) is:
1 Day=$140.00, 2 Days=$280.00, 3 Days=$420.00, 4 Days=$560.00, 5 Days=$700.00

Payment Information

Tuition Payment Options: annual (August 25th), semi-annual (first payment due August 25th, the second payment due January 25th), 9 individual payments if you choose to break down your tuition into 9 payments, tuition is due on or before the 25th of the month. A late fee of $25.00 will be assessed if the balance has not been paid 10 days following the due date.
