Ages 18m-3y

Art Lab: Paint & Play

Creativity meets exploration! This week is designed for young artists and curious minds!

We will transform art into a sensory-filled adventure, blending traditional techniques with modern, imaginative projects. Each day in the Art Lab is an invitation to experiment, play, and create masterpieces that inspire joy and self-expression. Let's PAINT and PLAY!

Art Lab: Beyond the Brush

Creativity knows no limits! This week, young artists will explore the fun, messy, and exciting side of art by diving into unique projects that go far beyond painting. Each day is packed with hands-on activities, cool materials, and opportunities to imagine, create, and play. This isn't just art—it's an adventure in creativity that will have kids proudly showing off their masterpieces and smiling from ear to ear.

Space Academy

Blast off into a world of wonder at Creative Tots' **Space Academy**! Designed for curious little explorers aged 18 months to 3 years, this unique week introduces toddlers to the magic of space through hands-on sensory play, simple experiments, and interactive activities. From building mini rockets to exploring colorful planets, every moment is packed with fun and discovery. 🚀🌟 Perfect for tiny adventurers ready to reach for the stars!

Music Fest: Rhythm & Groove

Feel the beat, and let the fun begin! Come explore rhythm and movement through drumming, clapping, stomping, and dancing. Little ones will engage in lively group activities, body percussion, and creative games that bring music to life through motion. It's a

dynamic and active experience designed to inspire coordination, creativity, and a love for rhythm! 🥁🌟🎵

Jr. Foodie: Tiny Taste Explorers

Welcome to **Jr. Foodie: Tiny Taste Explorers** where food becomes a delightful sensory adventure. This playful camp stirs up summer fun with hands-on activities, creative food exploration, and tasty treats. Little ones will enjoy squishing, mixing, and tasting as they discover new textures, colors, and flavors in a safe and exciting way. We will turn food into an engaging, educational, and fun experience, leaving your toddler inspired and full of wonder! 🥕🍓🍰

Jr. Foodie: Edible Exploration

Let food become a delightful and creative sensory experience for your toddler! This program is the perfect recipe for summer fun, blending hands-on activities, playful learning, and simple, toddler-friendly treats. Your little one will enjoy exploring new textures, colors, and flavors while developing curiosity and confidence. *Edible Exploration* turns food into an engaging, educational, and fun adventure designed just for tiny hands and growing imaginations! 🥕🍓🍰

So Long Summer!

A sweet send-off to summer, made for little ones. This playful week is filled with classic summer fun like water play, bubbles, chalk, and simple sensory experiences. We'll soak up the sunshine, explore freely, and enjoy all the little moments that make summer feel special. An easygoing, joyful way to wrap up Camp Tots.

Danny Go: Beat Drop!

Get ready to move, groove, and feel the beat.

Danny Go: Beat Drop is a high-energy week centered around rhythm, music, and movement inspired by Danny Go's most beat-driven videos.

Children will explore sound through creative drumming experiences like pool noodle beats, body percussion, and playful instruments, all while dancing, clapping, and moving nonstop. With music-based challenges, hands-on projects, and lots of opportunities to perform and create, this week is all about confidence, coordination, and pure fun. Loud beats, big movement, and serious Danny Go energy. 🎵🎶🌟

Mix, Fizz, and Boom: WOW Science!

This week is all about big reactions and bigger excitement. Children will mix, pour, splash, and experiment with hands-on activities that bubble, fizz, and surprise. Every day brings something new to try, watch, and react to, with playful experiments designed to spark curiosity and nonstop excitement. It's messy, thrilling, and packed with jaw-dropping moments that make science feel fun, exciting, and unforgettable.

Rockstar Studio: Pop Icon Energy

Step into the spotlight and feel the energy. Rockstar Studio is all about music, movement, and creative expression inspired by today's biggest pop icons. This high-energy week

invites kids to dance, sing, create, and perform through playful activities that celebrate confidence, creativity, and star power. From rhythm games and music-inspired projects to friendship bracelets made to trade and share, each day brings a new pop-era vibe and a chance to shine. It's fun, fearless, and full of pop-star magic. ✨🎤

Each day is packed with hands-on activities, cool materials, and opportunities to imagine, create, and play. This isn't just art—it's an adventure in creativity that will have kids proudly showing off their masterpieces and smiling from ear to ear.

Danny Go: Adventure Challenges!

This week brings the excitement of Danny Go's favorite challenges straight into Camp Tots. Danny Go: Adventure Challenges is packed with movement-based games, creative problem-solving, and playful physical challenges designed to get kids thinking, moving, and cheering each other on. Each day introduces new adventures that encourage teamwork, persistence, and confidence, all wrapped in fun, upbeat Danny Go style. It's active, engaging, and full of moments that feel exciting and empowering from start to finish.

So Long Summer!

Sun-soaked days, bubbles in the air, chalk-covered sidewalks, and water play woven throughout the week. This camp captures the feeling of summer at its very best: playful, joyful, and a little magical. Every day is designed to feel big, fun, and unforgettable. The ultimate Camp Tots finale.
